Pro Musica is committed to supporting the health and safety of our community. We are monitoring the spread of the COVID-19 virus in New Mexico and following all national, state, and local guidelines. Per the New Mexico Department of Health order released today, prohibiting gatherings of 100 persons or more, our March 22 (Borromeo String Quartet at St. Francis Auditorium) and April 9–11 (Baroque Holy Week at Loretto Chapel) concerts are cancelled. These performances will be rescheduled where and when possible.

Pro Musica will communicate updates regarding rescheduling or cancellation of upcoming events as information becomes available.

If you purchased a ticket for a performance that will not take place as scheduled, please hold on to your tickets for now. Beginning Monday, March 16, Pro Musica will offer several options for your tickets, including refunds, credit for a future or rescheduled performance, or you may redirect your ticket purchase to fund partial or full musician salaries while we are unable to perform.
